**Subject:** Attachment of the Man Lift Manufacturing SHU Platforms.

Subject to the terms and conditions of this letter, Genie Industries Inc. approves the use of Genie Scissors when modified in accordance with Man Lift Manufacturing (MLM) requirements for installation and use of the SHU-30G and SHU-32 platforms. The machine with the SHU attachment must be used in accordance with the instructions in the Genie Scissor Operator's Manual and MLM SHU Manual.

**Warning:**

Failure to comply with all restrictions, instructions and warnings contained in this letter, the Genie Scissor Lift Operators Manual, the Man Lift SHU Operator's manual(s) and decals and the applicable installation, safety or owner's manual could result in death or serious injury.

**Application Description:**

This applies only to SHU – vertical access platform attachment models SHU-30G and SHU-32G manufactured by Man Lift Manufacturing and is only applicable to the Genie models listed on the installation instructions provided by Man Lift Manufacturing.

**Owner/Employer/User/Operator Requirements:**

- 1) No modification to the Genie equipment, or use of it outside the proposed application, is permitted outside the approval criteria contained hereinafter.
- 2) A copy of this letter must accompany the operators manual at all times in the weather resistant storage compartment located on the equipment at the job-site where this modification/application is approved and authorized by the user/employer.
- 3) Operators must be trained and qualified how to safely operate the modified equipment, or use it in the proposed application, and be familiar with the specific model of Genie equipment as follows:
  - a) Be familiar, and comply, with the equipment operating and safety manuals.
  - b) Understand all control functions, decals and warnings.
  - c) Be aware of and understand all safety devices specific to the equipment being used.
  - d) Be instructed regarding the specific hazards associated with using the Genie equipment, in its modified state, or in the proposed application, and utilize all means, including those provided by the user/employer, to avoid them.
- 4) The user/employer and the operator shall comply with all applicable jobsite, local, state, provincial, or federal rules, regulations, and standards related to the use of the equipment and its modification.
- 5) The Genie equipment must be in proper working condition and configuration.

**Additional Requirements:**

Installation and use of any SHU attachment must comply with requirements provided by Man Lift Manufacturing.

In consideration for Genie's authorization herein, the equipment owner hereby agrees to indemnify and hold harmless Genie Industries Inc. and its parent and affiliated companies against any and all liability, claims, suits, losses, costs and legal fees caused by, arising out of, or resulting from the approved modification/application of the Genie equipment; any negligent act in the operation of the equipment by the owner, user and/or operator; the failure to comply with the criteria set forth in this letter related to the modification/application; the design, manufacture and installation of any modification; the safety rules and operating instructions in the Operator's Manual; the design and placement of any safety decals; the operation of the equipment by the owner, user and/or operator; and any negligent act or omission related to the equipment, its use or its modification.

**BY PROCEEDING WITH THE MODIFICATION/APPLICATION AUTHORIZED  
HEREIN, YOU AGREE TO THE CONTENTS OF THIS LETTER AND ITS  
CONDITIONS. IF YOU DO NOT AGREE, DO NOT PROCEED WITH THE PROPOSED  
MODIFICATION/APPLICATION.**
